

REMARKS

Claims 1-23 are pending in this application. By this Amendment, claims 8-11 are amended to correct form. No new matter is added

Applicant respectfully submits that the amendments to claims 8-11 should be entered under the provisions of 37 C.F.R. §1.312 and MPEP §714.16 because they (1) merely embody the correction of a formal matter without changing the scope of the claims because they correct grammar; (2) is needed for proper disclosure or protection of the invention because pending claims 8-11 lacked proper grammar; and (3) will not require substantial additional work by the Examiner because they are clear errors that do not affect the cope of the claims. These amendments were not presented earlier because Applicants' representative became aware of the informalities after allowance.

In view of the foregoing, consideration and entrance of the Amendment After Allowance is respectfully requested.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
